PUBLIC NOTICE NO. 107 / 2017

SUB : Appointment of M/s. Adani Ennore Container Terminal Pvt. Ltd. (AECTPL) as CUSTODIAN of Container Terminal inside the Kamarajar Port under Section 45(1) of Customs Act, 1962- Specification of procedures- Reg.

Attention of all Importers, Exporters, Customs Brokers, Steamer Agents, Shipping Lines, Container Freight Stations and members of the Trade is invited to the Public Notice No. dated issued by this Customs House declaring M/s. Adani Ennore Container Terminal Pvt. Ltd. (AECTPL) as CUSTODIAN of Container Terminal inside the Kamarajar Port under section 45(1) of Customs Act, 1962. The related procedures to be followed by the Trade /Shipping Lines/CFS s/ Customs Brokers and other associated agencies for clearance is specified below.

1. IMPORT CARGO

1.1. Direct delivery of Import Containers for AEO/ACP /Direct Port Delivery (DPD) clients & Transhipment to CFSs:

AECTPL will stack the landed containers in optimal manner, so as to facilitate immediate evacuation of such containers to the respective CFS. The containers of Accredited Clients / AEO clients / DPD clients will also be stacked separately to enable such importers to take prompt delivery of such containers. The Importer / CHA will approach AECTPL with the Bill of Entry after Out of Charge for delivery of FCL Containers of Customs notified AEO/ ACP/DPD clients. The Customs Preventive Officer at AECTPL out gate will verify the seal of the container and endorse on the Equipment Interchange Receipt (EIR) before releasing the Container.

ACP/AEO/DPD containers marked for customs examination will be moved to the designated warehouse/inspection area for customs examination at AECTPL.

1.2. Movement of Import Containers to Off Dock CFS:

The Preventive Officer at AECTPL will verify the container seal fixed at load port at out gate and record the details in Import PNR /Transshipment vide Sea to Sea Transshipment module PN-4/2014 dated 10.01.2014 wherever necessary . The Preventive Officer will also record the fact of affixing of AECTPL OTS for container having damaged load port seal.

1.3. Delivery of Empty Containers :

The Preventive Officer at AECTPL out gate will inspect the empty container before allowing the movement as per relevant Customs Public notices.

1.4. Import Container for ICD movement :

The Preventive Officer at AECTPL will inspect the Containers at the exit gate of AECTPL and will verify intactness of the load port OTS in the Transshipment Application and permit movement of container. The Preventive Officer will also record the fact of affixing of AECTPL OTS for containers having damaged load port seal. Containers destined for ICD locations will be moved by AECTPL to the rail siding just opposite the Container Terminal inside the Kamarajar Port premises for loading on rake for onward movement.

1.5. Re-sealing of import containers with damaged/ tampered load-port seal/discrepancy in seal no. with Customs OTS:

Whenever the import container is found to have damaged / tampered load-port seal/ discrepancy in seal nos. at the time of off-loading from the vessel or later but before releasing from the Container Yard, M/s. AECTPL / Steamer Agent shall bring it to the notice of /Dy Commissioner/Superintendent/Preventive officer of the AECTPL gate immediately. The Preventive Officer will fix the Customs One time seal on such import containers. If necessary, M/s.AECTPL can also fix their own One time seal. Survey, if any to be conducted at the instance of M/s. AECTPL / Steamer Agents by opening the import container , the same can be done only in the presence of Superintendent / Preventive Officer in charge of AECTPL gate.

2. EXPORT CARGO:

2.1. Containers from Off-Dock CFS and Central Excise sealed / Self-sealed containers:

The procedure prescribed under facility circular no. 17/2005 shall be followed for movement of Central Excise sealed /Self-sealed containers from various off-dock CFS's to AECTPL. The Preventive Officer at the CFS will verify the Seal and affix Customs OTS at CFS and record the details in the Export Sea to Sea Transshipment module vide Customs PN-158/2016 dated 13.07.2016. The Preventive Officer at AECTPL gate will verify the Customs OTS affixed at the CFS and also record the fact of affixing of AECTPL OTS in case of the OTS is getting damaged while handling the container inside the port area.

2.2. Export containers from ICD :

Export ICD containers arriving by road/rail upon movement from AECTPL's rail siding will be verified by the Preventive Officer at AECTPL In gate for intactness of the Customs One Time Seal & Shipping bill details and will permit containers to be offloaded in AECTPL.

M/s. AECTPL shall follow the instructions contained in relevant Public Notices issued by Chennai Customs with regard to the procedure for movement of containerised import/export cargo from AECTPL to and from Container Freight Stations within the jurisdiction of Chennai Customs Commissionerate.

All the other procedures/ instructions pertaining to daily operations in AECTPL shall Mutatis mutandis be governed by respective Public Notices / Facility circulars issued by Chennai Custom House, Chennai in respect to the Chennai Port / Kattupalli Port except as specifically laid out for this Port in this regard.

Difficulties faced / likely to be faced while implementing this Public Notice shall be brought to the notice of the undersigned immediately.
